

# CHARLOTTE GRAY (CREATOR OF THINGS)

## **PRICING DETAILS**

Prices begin as stated on website.

Additional costs can occur dependent on the complexity of your request, and the time it will take to complete. These are detailed below.

We will come to an agreement before I begin work to ensure that you are happy to proceed. At this time you will also be given a time scale of when to expect your creation.

At this stage you will choose payment option a or b;

- a) Pay half up front and the remaining half before receipt.
- b) Pay full amount up front

Once I've received full or partial payment I will commence production.

Please find extra detail regarding pricing attached to each Creation type.

## **Portraits - £50**

Starting price applies to single portrait.

Additional £5 per person in portrait.

Reference photo should be provided via email.

At current all portraits are created digitally

## **Landscapes - £40**

Price simply as advertised. Landscapes created digitally.

## **Lettering**

Lettering is created traditionally. (Good old fashioned paper and ink!)

You can choose to receive the original paper creation or have it in digital format.

Price of postage may be added depending on your location.

## **Personalised Cards**

Made according to your specification. Can be based off of a photo, or focus on a personal message. See gallery for examples.

Created digitally or hand crafted. They will be posted to you so you can add your loving messages and personal touch.

Postage surcharge cost may occur depending on your location.

## **Graphic Design**

Services I can provide include:

Logo design

Business Cards

Poster & Leaflet design

Social Media Graphics & Banners

For Graphic Design projects I charge a daily rate of £125. We will discuss your needs, and I will determine how long your creations will take to complete to calculate the price of your commission.

## TERMS OF SERVICE

All transactions are made through PayPal.

Please send payment to [charlotte.gray17@hotmail.co.uk](mailto:charlotte.gray17@hotmail.co.uk).

Your commission may appear in my gallery or across my social media platforms (Instagram, Facebook, Twitter). If **Portrait** or **Landscape** your commission may appear as a speed paint on my Youtube channel.

When posting your commission to my social media channels, posting can be delayed until a certain date if your commission is a gift/surprise for someone.

If desired, you can request that your commission does not appear publically.

My aim is always to make something that you are happy with. Throughout the creation process you will be shown thumbnails of progress and will have the opportunity to request changes.

In the event that you are not happy with your creation you are eligible for a partial refund, or another creation of your choice at a reduced price.

I look forward to making something for you.
